GREENBACKS or Government Money.

At close of our Civil War in 1865, there appeared in the London Times the following:

"If that mischievous financial policy which had its origin in the North American Republic during the late Civil War in that country, should become indurated down to a fixture, then that government will furnish its money without cost. It will have all the money that is necessary to carry on its trade and commerce. It will become prosperous beyond preceden: in the history of civilized nations of the world. The brain and wealth of all countries will go to North America. THAT GOVERNMENT MUST BE DESTROYED OR IT WILL DE-STROY EVERY MONARCHY ON

THIS GLOBE. The famous Hazzard circular, to capitalists in New York, and the Buell Bank circular to United States Bankers, both emanating from London, and the fabulous corruption fund raised in England and Germany, estimated \$1,500,000, were the agents that secured the closing of our mints against

The "walk into my parlor" policy of England, during and since the Spanish War, is the latest evidence of English Diplomacy in shaping the destiny of the United States Govern-

Notwithstanding the famine price of wheat, the Spanish War, and fabubus expenditures of money by our government during the past year, gold has increased in value eleven per cent. and all other values decreased in the same proportion.
